NATURAL STONE PAVING

ASYUT LIMESTONE

Crafted from premium-quality limestone, Asyut boasts a unique blend of warm tones and subtle hues that add depth and texture to any room. The Asyut Limestone is not just any ordinary stone; it's a statement piece that exudes luxury and sophistication. Asyut Limestone is also naturally slip-resistant, making it a safe choice for wet areas, like pool surrounds and outdoor patios. Its natural insulating properties help regulate temperature, keeping your home cool in the summer and warm in the winter. Asyut's soft and subtle colour will fit well in a wide range of situations.
