NATURAL STONE PAVING

PREMIUM BLUESTONE

Enhance the look of your outdoor space with our premium quality bluestone tiles and pavers. Made from natural bluestone, our tiles and pavers are both versatile and durable, making them the perfect choice for outdoor flooring. With a unique texture that adds a modern design element, our bluestone tiles and pavers are suitable for both residential and commercial applications. Sourced from the same quarry for over 20 years our Premium Bluestone has a sawn 400 finish meaning the surface has been sufficiently ground to remove saw marks and provide a clean but slip safe finish.
