

YARRABEE & CASTLEMAINE STONE

SUMMIT RANDOM

STONE WALL CLADDING

SUMMIT

Summit is an feature stone that adds a bright and airy tone to any landscape or architectural project. Summit is the perfect choice for both indoor and outdoor use, delivering an impactful visual statement in any setting. Its sleek and contemporary design is ideal for creating a focal point in any room, whether it is employed as a feature wall or a stunning backdrop for a fireplace. It is a light tone with flecks of silver throughout. Summit looks particularly spectacular with off-white grout.

Components Summit comes in flat pieces used used for the face surface of the wall and L shaped corner pieces for the corners of the wall

Profile Walling pieces are random (organically irregular)
Corner pieces are random (organically irregular)

Dimensions: Walling stone is random sized pieces with a diameter of approx 200-400mm.
Corner pieces are "L" shaped with one side 100-150mm, the other side 150-250mm and a height of 100-250mm

Thickness: Available in 2 thicknesses: 20mm or 30mm (average)

Weight: Walling flats = 70kg per m² (30mm) or 48kg per m² (20mm)
Corners = 25kg per lineal metre (30mm) or 16kg per lineal metre (20mm)

Quantities: Walling flats = 10 m² per crate (30mm) or 15 m² per crate (20mm)
Corners = 25 lineal metres per crate (30mm) or 40 lineal metres per crate (20mm)

Ordering: Sold in quantities of 1 square metre or 1 lineal metre lots
Note: 1 lineal metre equates to approximately 0.3m² of coverage
Both walling flats and corners are actively stocked

Note: If you are installing your stone without using grout joints, we advise adding a minimum of an additional 20-25% to account for any wastage. This will give the installer the flexibility to cut and shape the stone to achieve butt-jointed joints required for this look. Furthermore, we recommend the installer to unpack each crate of stone and utilize a mixture of the sizes provided. Smaller or unused pieces cannot be exchanged for larger ones. It is the installer's responsibility to make use of all the sizes provided.
